

Masies Empordà

Town house of 240 m2, structurally rehabilitated, with a plot of 650m2. Girona

Town house of 240 m2, structurally rehabilitated, with a plot of 650m2. The house is pending distribution, elbowed interiors and technical installations.

It is planned in the construction project that the house has three floors.

Low level; Large kitchen, a living room and dining room, a bathroom of courtesy plant. An elevator is planned.

Second floor: Two double bedrooms, one with dressing room, one full bathroom that share the rooms. Both with views.

Third floor: Two slenderous stays at first. There are two more rooms with the same characteristics as the second floor. As an alternative to these a large living room, library and office, games room, etc.
