Dream farmhouse for sale with 362 m2 built and 23.000m2 of land. Reformed. Located in the village of Sant Aniol de Finestres. La Garrotxa region. Girona. Spain.

Sant Aniol de Finestres is located at the head of the Llémena valley, in a corner of La Garrotxa that stands out for its tranquillity. The municipality is joined to the villages of Barroca and Sant Esteve de Llémena. The Finestres mountain range, which closes the valley on the north side, and the Llémena stream, which meanders towards Girona, are the main attractions of Sant Aniol de Finestres. However, it enjoys many other places of interest, such as the castle of Finestres, several Romanesque churches: the church of Santa Maria de Finestres, the church of Sant Esteve de Llémena, the church of Sant Andreu, the church of Sant Joan de Medes, the church of Sant Julià, the church of Sant Aniol and the church of Sant Miquel de Bustins. A magical place.
